

**3/8 Fourth Street Adamstown NSW**

3 2 1

This state of the art townhouse in a boutique development will set the new benchmark for low maintenance luxury and lifestyle.

Bathed in natural light and designed with outstanding attention to detail this totally on trend townhouse is sure to excite.

Only recently completed the high end finish is impressive from the high ceilings and abundance of glazing to the timber floors and generous storage.

From the private entrance hall you enter the open plan living which includes a sleek white kitchen with stylish pendant lights, gas cooktop, under bench oven, streamline sink , stone tops, pantry, dishwasher and wide fridge space.

The adjoining internal laundry is fully fitted with external access to the drying area and offers the convenience of a powder room.

Boasting a seamless outdoor flow to the East facing
