

101 Cameron Street Wallsend NSW

4  1  1 

This delightfully renovated & gorgeous c1930's home allows yourself to be spoilt with nothing to do.

Offering 4 bedrooms, with beautiful leadlight windows with the master offering the added addition of a sunroom/dressing room and air conditioning unit, whilst the 2nd bedroom has a stunning bay window & built in robes.

Family bathroom with shower over a large corner spa allows for further relaxing.

The living area has retained the charm of the original decorative fireplace and mantle and once again has the stunning leadlight windows. Walking from the living area you will find the family sized kitchen with stainless steel appliances, double sink and loads of cupboard space.

Flowing from the kitchen you seamlessly step through the timber bi-fold doors to the large spotted gum deck, perfect for the BBQ and entertaining which leads further onto the near level fenced rear yard, ideal for the kids to play!
