

5 Keepoch Street Rankin Park NSW

4 2 1

This sizeable family home features 4 bedrooms (3 with a/c & built-in robes). The bedrooms are split over 2 levels- 2 bedrooms upstairs, 1 with balcony and share the upstairs bathroom which has a shower, toilet and vanity.

The main floor has a further 2 bedrooms, bathroom with shower over bath and separate toilet, air conditioned L shaped lounge & dining, kitchen with induction cooktop, additional dining area that opens to a huge screened rear patio for summer entertaining. The ground floor has a spacious sunroom which is perfect for winter entertaining.

The double sized garage has a single sliding auto door and additional storage area and workshop. There is also a single carport.

Solar panels and battery storage could mean little or no electricity bills.

This home is a must to inspect with too many extras to list.
